Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Rachel Roberts loves her job as the head children's librarian in the small town of Holland, Pennsylvania. Each day leads to new challenges and new discoveries, but one special winter's day leads to something even more amazing. This is the day that Rachel meets Ava and Josh. Ava is a sweet three-year-old girl who instantly bonds with Rachel. With some help from Ava's cheerful nanny, Martha, Ava's widowed father, Josh, has been raising his daughter by himself. At the same time, he has managed to turn his small delivery company into something big without getting lost in the money or the work along the way. All he cares about is Ava, but he might have room in his heart for another special someone. When Rachel and Josh meet, the sparks fly, but neither one is brave enough to take the first step. Rachel is still navigating her feelings for her on-again, off-again boyfriend, and Josh believes he has enough on his plate as a single dad. Luckily, their friends have their own plan. With the help of Martha and a secret Santa or two, Rachel and Josh might find the true magic of the holidays.
