Brand New Book ***** Print on Demand *****.Sweetly Mail is a revolutionary self-help book that offers communication and relationship advice, as well as fun games to keep your love and important relationships alive. Sweetly Mail (SMS) In a Wiggged-Out World, written by Kathleen Barbier, describes a new way to communicate with loved ones to let them know you are thinking of them. It addresses the challenges of trying to maintain effective personal communication in a technology-driven world, and offers unique ways to communicate when you re overwhelmed. The book was inspired by an electronic dating match where one of the two people had little time to read emails, and the other wanted to share long, loving emails as part of the getting to know each other process. Out of the conflict that resulted, a new way of communicating was born! The book unveils a unique game that offers fun and communication with friends and loved ones, without the stress of worrying about what to say or how to say it. The principles work equally well, whether dating, married, or in between. Sweetly Mail...
