

## Summary of Secret Empires by Peter Schweizer: How the American Political Class Hides Corruption and Enriches Family and Friends - Finish Entire Book i

### Book Review

This is the finest publication we have read through right up until now. Better than ever, though I am quite late in starting to read this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.
