iUniverse, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In April 2006, an English bulldog was abandoned in a busy parking lot in Victorville, California. Severely malnourished, he roamed the parking lot and dashed between cars in search of food, water, and shade. Eventually saved by a bulldog rescue organization, Tazz was officially adopted in January 2007 and now greets everyone at the front door of his permanent home with a happy dance. Rescued! shares twenty-six heartfelt and compelling stories of rescue and rehabilitation that represent some of the best canine rescue organizations throughout California. These sweet tales of unconditional love and triumph over hardship will not only fill dog lovers with joy, wonder, and sadness, but also with an understanding that adoption can be a compassionate alternative to purchasing a dog from a breeder. From a dachshund who overcomes paralysis to the golden retriever who becomes a record-breaking swimmer, it is evident that in the end, these beautiful animals have guardian angels. All animals deserve love, compassion, and someone special to care for them. The stories in Rescued! joyfully celebrate the successful outcomes of rescued canines who now, thanks to the selfless work of volunteers, can greet visitors at their front doors with their own happy dance.
