O'Reilly Media. Paperback. Condition: New. 250 pages. Dimensions: 9.8in. x 5.9in. x 0.6in. React is a new, open-source technology from Facebook that has stirred quite a storm in the web development community, and some would say its the next best thing to a silver bullet for building web applications. React: Up and Running, is for anyone who is interested in learning React, building components for an app and building maintainable apps. Users will learn how to get off the ground with React, assuming no prior knowledge. This book teaches you how to build components, the building blocks of your apps, as well as how to organize the components into large-scale apps. In addition, youll learn about unit testing and optimizing performance, while focusing on the applications data (and letting the UI take care of itself). This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
