Brand New Book ***** Print on Demand *****.Before John Sayles was an Oscar-nominated screenwriter and celebrated independent filmmaker, he was a National Book Award-nominated writer of fiction. Now John Sayles has written his first short story collection in twenty-five years. The keynote story Dillinger in Hollywood is populated by leftovers from the Golden Age of Hollywood who live in a nursing home catering for below-the-line talentdancers, stunt doubles, horse wranglers, stand-ins, studio driverswho now wait for death and dementia, playing cards, breaking hips, busting ribs, and telling tall tales of days gone by. During one hot summer, Casey, a long-term resident, confesses that he used to be John Dillinger. In the flesh. The supposed John Dillinger, a legendary outlaw who had been popped at the Biograph Theater, was simply a stand-in. Sayles s stories, like his movies, are panoramic in scope, weaving together disparate elements, where the past has a powerful claim on the present, where the characters are down on their luck, struggling to make ends meet. Ultimately, John Dillinger in Hollywood showcases Sayles s uncanny ear for language, his skill at crafting character, humor and atmosphere, and shows why he is the winner of the John Steinbeck Award, the O. Henry Award, and others.
