CHALLENGES IN THE MULTIPOLAR SPACE-POWER ENVIRONMENT: FAIRCHILD PAPER

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 76 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Space power is arguably one of the most valuable, yet underappreciated and misunderstood components of US national power. The effects derived from our presence in space have tremendous strategic implications: an explosion of communication capabilities, better weather prediction, precision navigation, and intelligence are but a few of the dividends derived from investments in space programs. The United States no longer...
