## CO-TEACHING--STRATEGIES TO IMPROVE STUDENT OUTCOMES

National Professional Resources (NPR), 2014. Other. Book Condition: New. Co-teaching is a popular service delivery model for students who are entitled to special education or other specialized services, such as support services for English learners. Evidence shows that the implementation of co-teaching is significantly associated with improved student outcomes. However for co-teaching to be effective, teachers need to thoroughly understand what the arrangement entails and what it takes to make co-teaching work. In this newly released quick-reference laminated guide, Dr...

### Reviews

---

*Definitely among the finest pdf I actually have at any time read through. It is one of the most amazing pdf i actually have study. I discovered this ebook from my i and dad recommended this pdf to find out.*

-- **Turner Stiedemann**

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*
