PartridgeSingapore. Paperback. Condition: New. 72 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. GPS for Success and Happiness is based on the authors personal learning, application and experience by living his life guided closely by the Eight Fold Paths as taught by the Buddha. One has found them to be powerful and effective in leading ones life in a more simplistic and harmonious manner. Although one cant claim to have been a perfect practitioner, one has benefitted tremendously by following these paths. Being aware that religions, while being good and useful for humans, one is also aware that religions can be very personal and divisive. Thus, one has to qualify that right understanding of the Buddhas teaching is crucial. From my personal understanding, the Buddha has never shared his Enlightenment as a religion. He has taught them as the way of life that can help cease sufferings and thus gain purpose and happiness in life. GPS for Success and Happiness is written for people who are willing to open their mind and have the desire to be successful and happy. Just as a GPS will lead us to our destination once we set its location points, the contents of this book will guide the readers to reach his or her life goals once they have determined them. Just as success is different thing to different people, the contributors for happiness are different for different people. However, the universal laws for success and happiness have been found to be consistent and common for all. Infringement of any of the universal laws will without a doubt lead to some forms of unhappiness. Thus, it is my desire that by sharing my personal observations and experiences in my personal life guided by these laws will help enable my fellow humans to experience their own success...
