YOU SHALL NOT SURELY DIE!: THE DANGERS OF INHALANT DRUG ABUSE AND THE CURE THROUGH JESUS CHRIST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Untold millions of teens try on their own to rid themselves of addictions, hoping to break the chains that bind them. After much effort they find themselves falling back into their old patterns. Why? Because they are tapping into their own strength rather the strength Christ has already provided. Jesus alone gives us the grace to break the chains of addiction in our lives. We live in a sad, often strange and super-toxic world. And the old serpent, Satan, works tirelessly to blur the lines between right and wrong, between good and evil. He often lures kids in with promises of new highs and great adventures, only to wreak untold havoc in the lives of those God loves. In this article I want to share how thousands of young people, including children, all over the world are becoming ensnared in this latest fad of substance abuse-inhalants. It s called huffing, and leads to seizures, neurological damage, brain damage, coma, and often, death, as brain cells shut down from a lack of oxygen. For great many, their first experiment in this dark world is also their last, as they succumb to the clever invitation of the enemy. I want to help you discover how Christ can help you be delivered from the addictions that enslave you. You don t have to fall victim to the same lie Satan used to seduce Eve so long ago: You shall not surely die!.
