Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. For a year, Abri and five other women have found themselves trapped on a lonely planet, after their shuttle crashes on its way to Ulsy. They have fled Earth and the fiery rubble it has become. The crash has left Abri deaf and hurting with her aloneness. When sound becomes nothing, her other senses heighten, especially when they encounter two huge, handsome aliens. Raiden has seen human women, but on his planet, females are few and far between. He and his warrior mate Cace can't believe their good luck when they stumble across six of them on a deserted planet. The little deaf female, Abri, catches Raiden's heart the moment her essence seeps into his skin. He must have her. Their healing waters or his shield will cure her strange malady once they have mated. Or will it?.
