Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Parental Discretion Is Advised Raven-haired, emerald-eyed Dorian has walked the earth for over seven hundred fifteen years. In all that time, he has never felt the irresistible force now driving him into the countryside. There, surrounded by snow and biting cold, he makes a fateful decision-or has it been made for him. Eighteen-year-old Katherine s life is a whirl as she prepares for her high school prom. She s going with Ridge, the first boy to succeed in asking her out. None of the others ever seemed to fit. For that matter, she s not sure Ridge is right for her, either. When Katherine s eyes close, it s not Ridge who haunts her dreams. Instead, she sees dark, curling hair falling around a strong but gentle face. She sees the flash of green eyes and awakens knowing something vital is lacking in her life. As prom nears, a secretive and elite vampire gala is also underway. There, while vampires feed from trusted humans, Dorian and his kind entertain themselves, forming relationships and alliances. But even as Dorian plays his part in the festivities, he still feels the mysterious force driving him toward his destiny.or perhaps to the end of his long supernatural life. Parental Discretion Is Advised.
