D.K. Printworld (P) Ltd., New Delhi, India, 2009. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Respecting of women was prevalent in Indian culture ever since the Vedic period. The life values of women were considered holy and pure in those times. In the literature pertaining to Ramayana, Mahabharata, Upanishads, Buddhist, Middle Age and the British times, the highly respectable status of women is clearly shown. How differently were the women viewed at various times in different eras? Which were the women who made a special place for themselves in the different fields of life? In this context we remember Brahmavadini Gargi, Rajmahishi Durgavati of Gondvana, Queen Ahilyabai, Rani Lakshmbai of Jhansi, and some other women for their special contribution in maintaining the high status of women in Indian society. Portraying the position of women in the ancient period and comparing them to the present times when life is full of struggles, this book becomes a valuable tool for the scholars engaged in women studies and also for the people specializing in Indian traditional culture besides the general readers. Printed Pages: 103. Size: 15 x 22 Cm.
