Broadway Play Publishing Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Danger is Firesign s take on the hard-boiled detective character, with firstperson narration and crazy adventures that often involve mistaken identity, and of course there s always a dangerous dame. The skits spoof the conventions of those old detective radio shows, right down to the special effects, the sponsors, the on-air host, the convoluted plots, and just about anything else that one might have heard on a classic serial. The Beatles of comedy. -Library of Congress The Firesign Theatre is a comedy group that uses the recording studio at least as brilliantly as any rock group . -Robert Christgau . . [Firesign is] the funniest team in America today, combining elements of W C Fields, James Joyce, Lord Buckley, contemporary television and Thirties radio, scrambling it all up in a collective consciousness that defies description, and then spewing it out in a free-form half-hour epic presentation of sheer insanity . Their timing is dynamite, their dialog kaleidoscopic, and their satire is, so to speak, acidic. WAITING FOR THE ELECTRICIAN . a masterpiece of paranoia. -Ed Ward, Rolling Stone.
