Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

BOOK JUNGLE, United States, 2008. Paperback. Book Condition: New. 246 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****.Algernon Henry Blackwood, (1869 -1951) was an English writer of supernatural fiction. Blackwood was also a journalist and a broadcasting narrator. Blackwood had a varied career, farming in Canada, operating a hotel, a newspaper reporter in New York, and essayist for various periodicals. His works included ten collections of short stories, fourteen novels, children s stories, and several plays. Many of his stories reflect his love of nature and the outdoors. His two best-known stories are The Willows and The Wendigo. An excerpt from The Willows reads They first became properly visible, these huge figures, just within the tops of the bushes -- immense, bronze-colored, moving, and wholly independent of the swaying of the branches. I saw them plainly and noted, now I came to examine them more calmly, that they were very much larger than human, and indeed that something in their appearance proclaimed them to be not human at all. Certainly they were not merely the moving tracery of the branches against the moonlight. They shifted independently. They rose upwards in a continuous stream from earth to sky, vanishing utterly as soon as they reached the dark of the sky. They were interlaced one with another, making a great column, and I saw their limbs and huge bodies melting in and out of each other, forming this serpentine line that bent and swayed and twisted spirally with the contortions of the wind-tossed trees. They were nude, fluid shapes, passing up the bushes, within the leaves almost - rising up in a living column into the heavens. Their faces I never could see. Unceasingly they poured upwards, swaying in great bending curves, with a hue of...
