At ten years of age he had to deal with the loss of both parents who had been abroad on a church mission. He never had the chance to say goodbye only see you later. He believed when they went, they would return, but they didn't. Not only having to contend with the biggest loss known to a child he was thrust into the full time guardianship of his uncaring Auntie who he had been staying with but only until his parents came back. Now they were not coming back his future had to be decided. When all hope is lost, the person he expects least of all to be there comes to the rescue, but is it all too little too late?.
