

A Concise Introduction to Mixed Methods Research

By John W. Creswell

Sage Publications (CA). Paperback. Condition: New. 152 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. John W. Creswell's *A Concise Introduction to Mixed Methods Research* is a brief overview of mixed methods research that takes readers through the essential steps in planning and designing a study. Rather than offering an extensive treatment of mixed methods, this concise book offers individuals in the social, behavioral, and health sciences a foundation for understanding mixed methods methodology. Practical for use in workshops, seminars, global webinars, and as a supplementary text in undergraduate and graduate classes, Creswell's book is ideal for the beginner or the more advanced researcher looking for a quick primer in mixed methods, by an authoritative mixed methods scholar. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
