Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alba, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Magdalena Magda Amador is a killer-for-hire. Spending her teenage years in forced prostitution, befriendng the pharmacist who lived next door to the brothel, and building up a steely facade made her the perfect candidate for the murder-for-money lifestyle. But now it s time to come home. Upon her return to Southern California, she attempts to fit into a family unit who doesn t understand what she s been through and suspects she s a psychopath-which may not be entirely incorrect. And they don t have much room to point fingers anyway. They re embroiled in a money laundering and people smuggling business, which is currently under attack. Magda, as recalcitrant as a mule, sets out to unmask the threat and serve her own brand of justice. She wants to protect her family, but what she needs is to make amends with her wrongdoings, face her past traumas, and finally find a place in the world where she can fit in. High stakes, cold blood, and dark humor spiral around this fierce, female assassin, whose journey takes her through Baja California, Barcelona, and suburban Los Angeles in a snarky combination of crime noir and chick lit. Magda s story is an action-packed and emotional exploration of taking responsibility for your choices and paying for those of your parents.
