Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Young Duke: A Moral Tale, Though Gay , Count Alarcos: A Tragedy* George Augustus Frederick, Duke of St. James, completed his twenty-first year, an event which created almost as great a sensation among the aristocracy of England as the Norman Conquest. A minority of twenty years had converted a family always amongst the wealthiest of Great Britain into one of the richest in Europe. The Duke of St. James possessed estates in the north and in the west of England, besides a whole province in Ireland. In London there were a very handsome square and several streets, all made of bricks, - which brought him in yearly more cash than all the palaces of Vicenza are worth in fee-simple, with those of the Grand Canal of Venice to boot. As if this were not enough, he was an hereditary patron of internal navigation; and although perhaps in his two palaces, there castles, four halls, and lodges ad libitum, there were more fires burnt than in any other establishment in the empire, this was of no consequence, because the coals were his own. His rent-roll exhibited a sum total, very neatly written, of two hundred thousand pounds; but this was independent of half a million in the funds, which we had nearly for, gotten, and which remained from the accumulations occasioned by the unhappy death of his father. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
