Excerpt from Calvin s Commentary on the Epistle of James, Newly Translated From the Original Latin, Vol. 1: With Notes, Practical, Historical, and Critical Yby a majority, but rejected by fome, are the epifilcs of James and Jude; the fecond and third of John; and the fecond of Peter. The epillle of James, however, was received into the facred canon very early, as is evident from its being tran?ated into Syriac, at the fame time, with the firft epiftles of Peter and of John. The evidence, that thefe three epif tles were written by apof tles, no doubt, was the reafon why they were fo early adopted as canonical. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
