

## The Rucksack War: U.S. Army Operational Logistics in Grenada, 1983

Filesize: 2 MB

### **Reviews**

*This book is definitely not effortless to begin on reading through but extremely fun to read. Sure, it can be enjoy, continue to an amazing and interesting literature. I realized this book from my dad and i recommended this pdf to understand.*  
(Ezequiel Schuster)

## THE RUCKSACK WAR: U.S. ARMY OPERATIONAL LOGISTICS IN GRENADA, 1983

[DOWNLOAD](#)

St. John's Press. Paperback. Condition: New. 680 pages. Dimensions: 10.0in. x 7.0in. x 1.5in. On 25 October 1983 U. S. land, sea, and air forces, operating in conjunction with ground force contingents from several Caribbean countries, landed on the island nation of Grenada in the eastern Caribbean. Operation URGENT FURY, the code name for this intervention, marked the U. S. Army's first commitment to combat since the close of the Vietnam war. In point of fact, the amount of fighting was slight in comparison with other conflicts during the twentieth century, lacking both great intensity and long duration. The logistical effort required to move and sustain two ranger battalions and two brigades of the 82d Airborne Division, in contrast, was considerable and not without difficulty. The genesis, evolution, and eventual solution of the logistical problems, and especially their impact on combat operations on the island, make a fascinating story in their own right. These facets are particularly pertinent because of the likelihood that the Army will face other short-notice contingencies in the future in which the same or similar circumstances prevail. The Rucksack War: U. S. Army Operational Logistics in Grenada, 1983, provides an account of how Army logistics affected ground operations during the Grenada intervention and, in turn, how combat influenced logistical performance. Noteworthy is the emphasis on the role of individuals and the decisions they made based on the necessarily incomplete and sometimes misleading information available at the time during an unexpected and short-notice contingency operation. The narrative ranges from the meetings of the National Security Council, where the president grappled with the question of whether to send in troops, to the jungle environs of Grenada, where a sergeant in combat coped successfully with a Cuban ambush even though he and his men were handicapped by a lack of...
