

Action based approach to management of problems

By Irene, Aheisbwe

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | A shortcut to problem solving | Action Based Approach to Management of Problems: A Shortcut to Problem Solving; is an exceptional book that introduces the reader to fresh, informative, concise and unique information about Problem Solving. It is based on sound scientific and psychological principles applied with enthusiasm and imagination to meet today's challenges in larger organizations or institutions and professional researchers. This book contributes both to the practical concerns of people in an immediate problematic situation and to further the goals of social science simultaneously. Thus, there is a dual commitment in action research to study a system and concurrently to collaborate with members of the system in changing it in what is together regarded as a desirable direction. It stresses the importance of co-learning as a primary aspect of the problem solving. It is an interactive book that balances problem solving actions, implemented in a collaborative context with data-driven collaborative analysis or research to understand underlying causes enabling future predictions about personal and organizational change. . | Format: Paperback | Language/Sprache: english | 108 pp.
