Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Historic Long Island But the distinctive fact in the island s history is that it has been from the first a land Of homes and home-makers. The Dutch and English pioneers had no other thought than to rear in a new land new hearthstones for themselves and their children, and so strong and abiding speedily became their love Of the pleasant country to possess which they had crossed the seas, that all over the island one Will find men and women still holding the rich acres whereon their ancestors settled upward Of two centuries ago. Later times and changed conditions have brought in another and larger army Of home-makers. The Long Island railroad was built to Jamaica in 1836, and four years later extended to Hicksville and thence to Greenport. Since that time the growth Of the island in population and wealth has been steady and some sections marvelously rapid. The chain Of hills on the north side is rapidly being covered with the homes Of a refined population; but the greatest trans formation has been wrought along the south shore, and where, thirty years ago, was nothing save a Wilderness of uninhabited salt meadows and sand beaches and pine and scrub oak plains, is now a chain Of thriving and prosperous villages, and Of splendid homes and hotels. Set opposite the great city Of which its westward reaches now form a part, the island s past shapes its future. Madeeasier Of access by the bridges and tunnels building and to be built, the residents Of over-crowded Manhattan are, with the passage Of the years, to turn to it in steadily increasing numbers as Ofiering the most inviting and available sites...
