c'est le français qu'on assassine

By Spengler, Franck - Brighelli, Jean-Paul

BLANCHE, 2017. Paperback. Condition: NEUF. " La France, ton français fout l'camp ! " : baisse dramatique du niveau orthographique, conséquence d'un enseignement à la dérive ; réformes absurdes de l'apprentissage de la langue, " négociations " en classe sur la graphie et " simplification " de la grammaire - jusqu'à ce qu'il n'en reste rien ; utilisation massive de l'anglais - et, pire, du globish - par de hautes instances françaises, y compris des candidats à la présidence de la République. Tout révèle une inspiration commune : la langue, c'est la Nation, et dans le grand concert mondialisé, les nations ne sont pas bienvenues. Du coup, les " communautés " s'organisent autour de leurs propres langages, et y sont souvent encouragées par l'institution éducative : l'arabe ou le turc oui, mais le français, de moins en moins. Si la langue française est la base de notre culture, la dégrader peut suffire à suicider une France vieille de douze siècles. Mais c'est cela aussi, l'objectif : la France doit disparaître, et c'est en attaquant à la base sa langue et sa culture qu'on en finira le plus vite avec elle. Annihiler la cinquième langue la plus parlée au monde n'était pas une mince affaire....

Reviews

It is great and fantastic. Better than never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.

-- **Orin Blick**

I just started reading this article ebook. It really is writer in easy phrases and not difficult to understand. I am just very happy to tell you that here is the very best pdf we have read during my individual life and might be he very best ebook for actually.
