

## Berkeley: A Guide for the Perplexed (Paperback)

By Talia Mae Bettcher

Bloomsbury Publishing PLC, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. George Berkeley was an idealist and an extraordinarily eloquent man of letters. Yet his views are traditionally regarded as wild and extravagant. He is well known for his departure from common sense, yet perversely represents himself as siding with the common folk , presenting a complex challenge for students. Berkeley: A Guide for the Perplexed is a clear and thorough account of Berkeley s philosophy. The book covers the whole range of Berkeley s philosophical work, offering an accessible review of his views on philosophy and common sense and the nature of philosophical perplexity, together with an examination of his two major philosophical works, The Principles of Human Knowledge and Three Dialogues Between Hylas and Philonous. Geared towards the specific requirements of students who need to reach a sound understanding of Berkeley s thought, the book provides a cogent and reliable survey of the various concepts and paradoxes of his thought. This is the ideal companion to the study of this most influential and challenging of philosophers.

### Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.*

-- **Kitty Crooks**

*Very useful to any or all group of men and women. I am quite late in start reading this one, but better then never. You are going to like just how the blogger publish this book.*
