Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Does your child struggle with handling negative emotions, such as anger, frustration, or sadness? Do you find it hard as a parent to help him/her cope with emotions like this? Then the Happiness and Positive Attitude Series for Children and Parents is just for you! Rexy was an adorable, friendly Dalmatian. His tail would wiggle constantly and he always had a huge puppy smile on his face. One of the spots on his back looked like a heart and his mommy always said he was A puppy of love . Rexy is having a bad day! He finds himself feeling sad and angry. But with the help of his mom he learns the power of positive thinking. He understands that he can change the way he feels by planting good and happy thoughts in his mind - his garden of thoughts. Rexy will help your child to learn how to self-reinforce his/her positivity through a fun and affluent story. Rexy is easy to identify with, which makes him an easy example for your child to follow. Rexy has been created from my heart and I truly believe he has an important role and message for children and adults. My goal is that all around the world children will know and love Rexy. Yours with love, Sharon Bloch.
