

## Moments of Impact: My Personal Inquiry Relating to the Formation of Self (Paperback)

By MR Joseph K Goldstein

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a personal inquiry relating to the formation of self. Exploration of beliefs, the ego, emotions; the impact placed by events on the essence of a person based on the cumulative factors that make up each being. The behavior of each of us is a composite, encompassing the long-term results of external actions playing onto our internal response mechanisms. This was the hypothesis upon which the inquiry began, with the goal of understanding if, how, and why this happens, and to determine whether there was a way to corral the responses into a learning experience rather than simply a reactive process. How does a person become what they are? Where do beliefs belong and what influence do they exert?.
