Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.PR Pope was written for the young adult, beginner atheist, or anyone who is contemplating leaving or questioning their faith. Once my exodus from religion began, I finally discovered what I was missing and the story is the same for politics. If you are discussing religion or politics and the other person agrees with you, they love it and they want more of it! On the other hand, if you are challenging someone s beliefs or ideas, suddenly the two topics become taboo. In short, it s not rude to talk about these subjects. It s only rude to some when you make them think...
