Situational Survival Guide: (FREE Bonus Included) How To Defend Yourself In 10 Dangerous Situations And Stay Alive In Fatal Situations Nowadays, safety is a major issue no matter in which corner of the world you are. The situation is worse in some countries compared to others but is not non-existent anywhere in the world. We all owe it to ourselves to be safe and care for our lives and focus on survival. Life is a gift and it should be treated that way. There are varying types of dangerous as well as fatal situations where you find your life at risk. Since this is not an everyday occurrence, nobody is trained for it. Most people do not know how to act in these situations. Their behaviors might even lead to them being the reason their life is at risk. However there are measures that you can take in these situations that will help you survive the worst of worst. We have designed this book as a guide for people who want to learn what to do in dangerous situations like kidnapping, threats, rape, and robbery. Moreover, we have also covered fatal situations like drowning, catching fire, falling off height and suchlike. This book is a complete guide for you to thoroughly familiarize yourself with the dangerous problems and the survival solutions so that you are never caught off-guard.
