

The Zombie Knights (Paperback)

By A D Cas

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The world is already post-apocalypse. Cameras are in plain view, watching their every movement- the last thing the government wants is for the remaining citizens to start killing each other. Not ten years later, they start doing exactly that, thanks to a chemical that was not only wide spread, but hit the population like a plague. The survivors of the resulting infection act quite a bit like zombies- primal, deadly, and violent. Flutter Doom (pronounced Dahm, she tells everyone) is paranoid, is co-dependent, and has some serious abandonment issues. She s going to have to overcome all of these if she s going to survive. Especially since she s the one asshole in the group hiding a zombie bite.
