VISITING CHINA S PAST: A GUIDE TO SITES AND RESOURCES (PAPERBACK)**DOWNLOAD**

Floating World Editions, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Physical setting, plan and structure, contents, and dating of each discovery are laid out in clear prose with helpful maps, plans, and line art. Related discoveries and sites, including those in other areas, are introduced as well, and recommended readings take interested readers into each topic in greater depth. Visiting China s Past also features an informative introduction to archaeology in China-its history, theory, and practice. A bibliography of...
