*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## BIRD YEARS (PAPERBACK)

Mayapple Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Poetry. This is a book of false memories and myth--and recollection and revelation excavated out of the author s unconscious, the pieces laid out and puzzled over. This is the moment s archeologist hovering over the lost past. One enters as if falling into a painting--a near desolate landscape . .of harsh reds.where lizards go to die, a primal world of early-risen angst and longing, disappointment and disconnectedness begun when a child is left at a kindergarten door by his mother. This book sifts through the shards of a childhood--the remnants carried forward into adulthood as tokens of the past yet they are a heavy weight, poorly distributed, and shouldered such that one is hunched low as we meet ourselves on the road. What is it of the frightened boy stays with us, running parallel to the running man? This is a grand meander through the daunting piecework of making a life. BIRD YEARS is holographic, its facets cut like diamond--mirroring at one moment, disappearing into another the stifled emotions of a child growing old, his world being lost to inattention and fading memory. Or is this a portal into the world which is but . .a bump-out in the universe.a world which mother swears is safe. A language is spoken here which is the natural patois of a lost child--the aging forever-child who longs for a connection that never is, yet is ideally imagined as if our a life lived must be more than the long soft pain of a father missing at crucial times--or is simply a story of the missing child in the childhood missed, the bits and memories of childhood lyrically meandering through a recollection and a fresh mythology meant to ease the solitary...
